

COVID-19

SAFE CLEANING PROTOCOLS

DBS is committed to the safety of our customers, service providers and employees. We are closely monitoring and implementing cleaning and safety recommendations from the CDC and local health officials.

Cleaning Safety Measures

- ◆ Wear disposable gloves, masks and necessary protective equipment
- ◆ Routinely clean “Common Touchpoints” including door knobs, light switches, handrails, countertops, etc.
- ◆ Routinely clean desktops, phones keyboards and personal spaces; per client instructions
- ◆ Disinfect surfaces as needed using disinfectants from EPA “List N” which meet the EPA’s criteria for use against SARS-CoV-2, the virus that causes COVID-19

General Safety Measures

- ◆ Stay home if you are sick
- ◆ Cover coughs and sneezes with your elbow
- ◆ Wash your hands often with soap and water for at least 20 seconds, especially after removing gloves or PPE, or after blowing your nose, sneezing or coughing.
